

Use Resources Wisely Daisy Girl Scout Meeting

Petals earned: - Green, Use Resources Wisely

Time	Description	Supplies	Who will lead
Opening Activity (10 min)	Snack / Color	Handouts Crayons & Markers	
Circle (15 min)	<ul style="list-style-type: none"> Recite Pledge of Allegiance and GS Promise Read story on using resources wisely Gabby and Grandma Go Green When Gabby comes to visit her grandmother, they give their day a green focus, reusing, returning, refilling and recycling. Notes: Girls especially enjoyed finding the mouse and reading his comments Talk about Reduce, reuse, recycle. What are examples of natural resources? Water, metal, plastic, paper, food, energy, gas <p>Why do we need to use them wisely? Because they will run out.</p> <p>Have some props and then ask for each. What are some examples of how to reduce, reuse, or recycle this item? A piece of paper, a book, a outgrown piece of clothing, a bottle.</p> <p>If you are doing this, what should you do to use resources wisely? -If you want to go to your friend's house -If you have a light on and you are leaving a room -If you are brushing your teeth</p>	book props	
Activity (15 min)	<p>Pipe cleaner bird feeder</p> <p>Have the girls bend pipe cleaners in half and then thread cheerios on the two halves. Adults then help connect the ends. Girls can make whatever shape they would like. Tie a string on the end when they are done. If you have time, you can do two and connect them together.</p> <p>http://mycrazyblessedlife.com/2012/05/10/after-school-craft-heart-shaped-bird-feeder/</p> <p>Notes: excellent craft, easy and lots of fun</p>	Bring an example to meeting Pipe cleaners Cheerios Ribbon	
Closing (5 min)	Friendship Squeeze Song
